Magic Wand Cookies: - This is a little labor intensive, but well worth the effort! Make these the day before the party event. The young wizards can live out their dreams of casting spells when they wave their magic wands.

Ingredients: 300g plain flour, ½ teaspoon baking powder, ¼ teaspoon of salt, 200g caster sugar, 125g unsalted softened butter, 1 egg lightly beaten, 1 ½ tablespoon brandy, ½ teaspoon vanilla essence. Royal Icing Ingredients: 600g icing sugar, 4 egg whites, food colouring, sprinkles. Directions: Sift flour, baking powder and salt. Combine sugar and butter in another bowl and beat with electric mixer until light, soft and creamy. Add egg, brandy, vanilla and beat gently until combined. Add spoonfuls of flour mixture beating well between each spoonful. Remove mixture from the bowl and knead into a smooth ball on a floured surface. Wrap in a plastic wrap and refrigerate for at least an hour. Preheat oven to 200 degrees. Divide dough into 2. Roll to a 2mm thickness on well-floured surface. Knead extra flour if dough is too soft. Cut star shapes with star cutter and place onto baking paper-lined tray. Bake for 10 mins. Insert a popsicle stick through 2 points of the star when cookie is still warm. Royal Icing: Combine sugar and egg whites stirring until smooth. Add food colouring of your choice. Decorate with glitter sugar sprinkles.

Broomsticks These high flying broomsticks are great for the food table or even their lolly bag to take home.

Ingredients: 12: 8-inch pretzel rods. 36 pieces 2 inch pieces of fruit roll ups. 6 2-inch pieces of roll ups cut in half-length wise.

Directions: For each broomstick, you'll need three of the 2-inch pieces and one of the halved pieces of fruit roll ups. Stack the three pieces and fringe them four times, stopping 1/2-inch from the top. Overlap the top edges around the pretzel, sticky side out. Wrap the remaining piece of fruit roll up around the top edges, sticky side to sticky side. Repeat for remaining brooms. Makes 12 broomsticks.
